

Visit the Cotswolds in one day this winter

Is it time to escape the city?

While the lights and festivities can be fun, sometimes you want to take a quiet break and relax for a while.

Our Secret Cottage tour is the perfect way to enjoy the Cotswolds in one day this winter.

Having boarded the train at Paddington, you'll feel yourself start to unwind as you travel through the countryside, arriving at Moreton-In-Marsh station, ready for us to collect you.

Immediately the pace of life slows down as we drive you through the spectacular Cotswolds in our luxury Mercedes minibus. You'll meet new friends from across the world and one of our guides will fill your day with local information and anecdotes you'll not hear anywhere else.

With the Secret Cottage tour, you don't have to worry about anything, because we take care of it all. Once you've started to relax you'll arrive at Secret Cottage – our family home – for coffee and pastries. Here you can explore our beautiful home and see what it's like to live as an ordinary English family.

Once you're rested it's time to explore more of this amazing area. We'll take you to outstanding hidden villages made up of thatched cottages and clipped lawns. You'll see historic manor houses, ancient churches and village greens. You'll marvel at wildlife, the rapidly changing landscape and breath taking scenery you can't even begin to imagine.
